**Subject:** Planned addition to home at 848 Pagoda Tree Court

Dear city of Sunnyvale,

This letter regards the application at 848 Pagoda Tree Court for a second-floor deck. Our home at 954 Larkspur Ave is adjacent the the 848 Pagoda Tree Court property. My husband and I strongly urge the city to reject this application. The addition of a second story deck would destroy our privacy and greatly decrease our property value. A second story deck would look down into our yard and also into our dining and living room. Our privacy would be destroyed.

Thank you very much for your consideration of the neighborhood impact of proposed building applications.

Sincerely, Rev. Sue Ellen Porter and Dr. David Bogdanoff
